Am Am⁷ D

G D/F# Em Am
And a diamond is the same as the coal in your fire
Am⁷ D
But I gave it beauty

So no matter how you feel

No matter what you say
G D/F# Em Em⁷
You are clean, and your sin is taken away
Am D
Coz I have made you to be who you are

G D/F# Em Em⁷
Like a diamond held in your hand
Am G/B C D
Reflecting all the rays of the sunlight around
G D/F# Em Em⁷
Light a flower alone on a hillside
Am G/B C D
Bringing glory to that barren place
G D/F# Em Em⁷
Like a sunrise that brings in the morning
Am G/B C D
New mercies will abound to you today

Coz I have made you to be who you are
