

(Capo 4)

B(G) C#m(Am) B/D#(G/B) E(C)
When all around I feel despair
B(G) C#m(Am) B/D#(G/B) E(C)
And all my hope is gone
B(G) C#m(Am) B/D#(G/B) E(C)
I look to your eternal word
B(G) C#m(Am) B(G)
Find strength to carry on
D#m(Bm) E(C)
Undying words of boundless grace
F#(D) A(F)
So freely poured on me
B(G) F#/A#(D/F#) G#m(Em) E(C)
I trust in each and every one
C#m(Am) F#(D) B(G)
And walk on gratefully

I put my confidence in you
You tell me I'm secure
And you'll provide for all my needs
Through all that I endure
Your words of life restore my hope
A breath of clean fresh air
So stronger do I take each step
And cast off all despair

How great a gift that you should give
Your Son that I'd go free
So ever shall I praise your name
For all eternity
No sorrow, fear or evil foe
Can steal your love away
Each day I hold on to your word
Your life, your word, your grace
